Re: Important Safety Recall for CZ All American Single Trap Shotguns

Dear Valued Customer,

CZ-USA has recently learned of a safety issue with all CZ All American Single Trap shotguns. CZ-USA is voluntarily initiating a recall of these shotguns to protect the safety of its customers because of the potential that they could unintentionally discharge if the trigger is pulled with the safety engaged and/or if they are dropped, even with the safety engaged.

To prevent the possibility of death or serious personal injury, we request that you stop selling any CZ All American Single Trap shotguns.

Please return any CZ All American Single Trap shotguns you may still have in inventory to us to be upgraded and have a credit issued. CZ-USA will upgrade the CZ All American Single Trap shotguns in the order in which it received them for inspection and upgrade pursuant to this recall. To begin the process of returning your inventory, please contact CZ-USA's National Distribution Sales Manger Alexis Peña by email at apena@cz-usa.com, or call 913-413-1834 Monday through Friday, 8 a.m. to 4 p.m. CT. Please note that we will need a complete list of the serial numbers to be returned for credit.

We also need your help to identify all purchasers of the CZ All American Single Trap shotguns affected by this recall. We kindly ask that you immediately review your acquisition and disposition records and send us a list of the dealers to whom you sold the affected CZ All American Single Trap shotguns, their contact information, a copy of their Federal Firearms License, the date of the sale(s), and the serial number(s) of the CZ All American Single Trap shotguns sold to each dealer so that we may contact them to notify them of this recall. In addition, if you have them, please provide the telephone and facsimile numbers and/or email addresses for the dealers to whom you sold any CZ All American Single Trap shotguns affected by this recall.

This information can be provided to CZ-USA by accessing our website at www.czallamericansingletraprecall.com by phone at 913-413-1812, or by physical mail to: CZ-USA, Attn: CZ All American Single Trap Recall, PO Box 171073, Kansas City, KS 66117.

We sincerely apologize for any inconvenience this may cause you. Thank you for your patience, your cooperation, and for choosing CZ. The safety of our customers comes first.

Sincerely,

Scott Schreiner
